Commissioner for Patents

Applicants representative brought to the attention of Examiner Cynthia Hamilton on 06 October 2008, that the Information Disclosure Statement filed 07 October 2005 was cited as considered and attached to the Office Action of 29 September 2008 but applicants did not receive a copy of the signed Information Disclosure Statement. The examiner checked the electronic records for said Office Action and found that while the paper had been signed it had not become part of the Office action, i.e. the paper was missing from the electronic record for the 29 September 2008 Office action. The signed Information Disclosure statement is now made of record and a copy is attached to the letter for the applicant. This letter is sent to add to the record the missing paper addressed in the Office Action of 29 September 2008.
